

Important Information for 2021 Season at Shallowford Lakes Pool

From Betsie McKenna, Pool Director

1. I look forward to meeting all of you this summer! The pool will open officially on May 29th this year. The best way to contact me is by email. That address is: shallowfordpool@gmail.com.
2. There will be no Covid pool restrictions in place this summer. Therefore, we will **NOT** be using Sign-up Genius as we did last year and there will not be assigned spaces. You will sign in with a pool attendant at the admission desk when you enter the pool.
3. Your membership is considered complete when we have received the following **3 things** via email or postal service:
 - Membership payment
 - Completed information sheet
 - Pool Rules document (requires signature)

Once these three items have been received you will be contacted that your membership is complete and you will be assigned a membership number.

4. **Please remember that we will NOT be accepting membership payments at the pool.** Your payment must be made online or by check mailed to: PO Box 117, Lewisville, NC, 27023.
5. Swim team memberships must be handled directly with the Sea Lions swim team manager. Contact information is sealionteammanager@gmail.com . All team members must be members of Shallowford Lakes Pool.
6. Guest fees will be \$10 per guest. Guest fees will be collected by the pool attendant upon arrival. The only form of payment accepted is cash. Guests will not be permitted on Memorial Day weekend or on July 4th due to larger crowds on these days.
7. Pool parties will not be allowed until after June 11th. No pool parties will be scheduled during July 4th weekend. Forms regarding pool parties can be found on the Shallowford Lakes website at <https://shallowfordlakes.com/pool/pool-parties/> .

Looking forward to a safe and fun-filled summer!
